Dear Mr. Hickman:

Referring to our conversation in regard to card boxes at Rutgers Commencement, I am sending you herewith three of the boxes which we use. There are others of graduating sizes but these are typical. If you could make these, I would be glad to have you quote in lots of 1000, 2000 and 5000 on each of these sizes. They would need to be uniform with these because all our others have been made in this style and, in consequence, it is necessary to have them match.

Very truly yours,

Secretary
